

The Pōhutukawa is a beautifully balanced design that delivers both contemporary style and practicality, featuring 3 bedrooms, 2 bathrooms, a generous scullery, and a spacious open-plan living area designed for effortless modern comfort. Expansive stacker sliders flood the home with natural light and create a seamless connection to outdoor living, enhancing the sense of space and lifestyle. Clean lines and thoughtful planning ensure every room feels both elegant and practical. Choose from three distinctive rooflines, off-set gable, traditional gable, or mono-pitch.

Floor Area: 120m²
